

GIDDAP!

Charlie is riding his charger bold  
Out where the populace's votes are  
polled

And he whacks at this and he  
whacks at that,  
But most of his whacking is through  
his hat!

Giddap! Giddap! Gid-a-rap, rap, rap!

"Look at this barn where the light-  
ning hit;

Wilson" (says he) "is to blame for it!  
He has caused the weather that hurt  
the crops!

I'll betcha that none of the popcorn  
pops!"

Giddap! Giddap! Gid-a-rap, rap, rap!
